SPECIAL PROVISIONS

2024 Great Texas Balloon Race/US Nationals

This Certificate of Waiver constitutes a waiver of only those regulations stated, to the degree and for the period of time specified in the certificate. The Certificate of Waiver does not constitute a waiver of any state law or local ordinance. Should the proposed operation conflict with any state law, local ordinance, or required permission of local authorities or property owners, it shall be the applicant's responsibility to resolve the difficulty. The provisions of the waiver shall apply, regardless of the statements contained in the application for Certificate of Waiver. The waiver shall be considered void upon completion of the authorized schedule of events or at the latest time shown on the face of the Certificate of Waiver, whichever occurs earlier.

Regulations Waived:

The following regulations are waived as follows:

FAR 91.119(b) Minimum Altitude Over Congested Area: Minimum safe altitude over congested area of a city, town, or settlement, or over any open air assembly of persons, an altitude of 1,000 feet above the highest obstacle within a horizontal radius of 2,000 feet of the aircraft.

FAR 91.119(c) Minimum Altitude Other than Congested Area: Minimum safe altitude over other than congested areas, except not closer than 500 feet to any person, vessel, vehicle, or structure on the surface.

A. Common Special Provisions

Failure to comply with any standard of special provision is a violation of the terms of this Certificate of Waiver (CoW) and justification for cancellation of this Certificate and constitutes a violation of Title 49 of the United States Code Section(s) 44711(a)(2)(B) and/or 44711 (a)(5).

1. The FAA has the authority to cancel or delay any or all acts or events if the safety of persons or property on the ground or in the air, are in jeopardy or there is a violation of the terms of the Certificate of Waiver (CoW).
2. The responsible person, **Mr. Sam Parks, Event Director**, named in Item 2 on FAA Form 7711-2 must ensure that participants are thoroughly briefed on special field rules and the established flying area (other defined areas within the waived/authorized airspace), manner and order of events, and special provisions of the CoW, before beginning the activities each day.
 - a. No person may participate in any event on the CoW unless that person has signed a statement stating that they have received a briefing on the provisions of the CoW.

- b. Only the team leader is required; however, a delegate may represent the team leader, provided the person is a pilot member of the team. The team leader must brief each member of the team and will provide the name of each person on the team he/she will brief before the performance.
3. **Mr. Sam Parks, Event Director**, will ensure that notification is made to the Leidos Flight Service Station (AFSS) 1-877-487-6867 of the date, time, place, demonstration areas, altitudes, nature of the activity, and duration of the operation and request that a Notice to Airmen (NOTAM D or TFR) be issued.
 - a. a. Such notice shall be accomplished by providing the controlling flight service station (FSS) with a copy of the CoW, at least 48 hours before the event and no more than 72 hours before the event.
 - b. b. A Class D NOTAM is issued for the entire aviation event. Class D NOTAM verification is required.
4. The responsible person **Mr. Sam Parks, Event Director**, will ensure that **Longview Air Traffic Control (TRACON)** at **(903) 643-4015** is notified each day prior to launch.
5. All civil aircraft and pilots participating in the aviation event shall provide the requested data to establish qualifications and airworthiness to the event organizer and if required be available for FAA inspection at the time and place agreed upon by **Mr. Sam Parks, Event Director**, and the FAA IIC.
6. Only the pilot and event flight crewmembers, as described in the Balloon Operations Manual, may be carried onboard any balloon operating under the waiver issued under this CoW.
7. A control point shall be established where the certificate holder or responsible person shall direct the demonstration. **Mr. Sam Parks, Event Director** shall be continuously available to the FAA IIC or designated representative and is the person designated as responsible for the overall safety of the event.
8. Adequate communication capability (electronic and visual) must ne provided to maintain a safe operation, to control spectators, and to advise participants that the aerial demonstration has been halted or canceled.
9. A crowd line consisting of a physical barrier and/or adequate policing shall be provided to confine the spectators to designated areas. The spectator areas shall have well defined lateral boundaries.
10. The demonstration shall be halted for any reason that is in the interest of safety. It shall be halted when unauthorized aircraft enter the demonstration area, or when unauthorized persons or vehicles enter the area underlying the flying display area.
 - a. Only the minimum number of essential personnel necessary to support operations will be authorized in the flying display areas.

- b. The holder of the CoW and Responsible Person, **Sam Parks**, assumes responsibility for the security of areas where unauthorized personnel and aircraft are not authorized access and for compliance with the aviation event security plan.
 - c. The IIC has the responsibility to make the holder of the CoW and responsible person, **Sam Parks**, aware of any identified safety concerns and if necessary has the authority for canceling or delaying any or all acts if it is deemed necessary in the interest of safety.
- 11. Persons or aircraft not appearing on the CoW application and subsequently added to the CoW may not participate without specific approval by the responsible person **Mr. Sam Parks**, and the IIC.
 - 12. The following facilities shall be provided and readily available at the demonstration site: **Ambulance and Fire Truck.**
 - 13. The distance from target areas to spectators shall be not less than 200 feet.
 - 14. Flight lower than 75 feet shall be halted in target areas when unauthorized persons enter the areas or for any other reason in the interest of safety.
 - 15. Unmanned Aerial Systems (UAS) Demonstrations are not authorized under this CoW.
 - 16. Rocket Demonstrations are not authorized under this CoW.

B. Balloon Special Provisions

- 17. 14 CFR § 91.119(b) and (c) are waived to the extent necessary to allow participating balloons to compete in the Great Texas Balloon Race under the terms and conditions set forth in the FAA approved procedures section of the Operations Manual.
- 18. The Great Texas Balloon Race/US Nationals Operations Manual, dated June 10-16, 2024 is incorporated into this CoW and becomes a special provision thereof. Any action contrary to the terms, controls, procedures, and conditions pertaining to safety set forth in the FAA approved procedures is grounds for cancellation of this CoW.
- 19. **Sam Parks** shall ensure that each participant event crewmember has read and understands the FAA approved procedures section of the Great Texas Balloon Race Operations Manual, dated June 10-16, 2024, and the special provisions of this CoW.
